The memorial and the Collector's letter which is addressed to Govt is submitted for orders

2/ The question is a general one affecting Dy. surveyors in all the districts of the Presidency. Govt are however considering the question of fixing a minimum rate of travelling allowance for Dy surveyors and other officers of the Land Records Dept who are adversely affected by G.O No 476 Fl. dy 24-6-1919. For orders whether the Coll may be informed of this and the petition and the Coll's letter withheld under rule XVI (2) of the rules

rules for the submission of petitions to Govt. It should however be mentioned that the fixing of a minimum travelling allowance will not compensate the Dy. Surveyors for the loss incurred by him in having to claim double third class railway fares instead double second class as before especially in the case of long journeys by rail.

Copy of a memorial from S.G.Rasquinha, Deputy Surveyor of the Land Records Tahsildar's office, dated 9th March 1920

Humble Memorial of S.G. Rasquinha son of P.J.Rasquinha Deputy Surveyor, Land Records, South Kanara,

May it please Your Excellency,

The Memorialist abovenamed most humbly begs leave to submit the following facts for the kind consideration of Government.

1. The Memorialist is a Deputy Surveyor employed in the Land Records Tahsildar's Office, South Kanara and is drawing a scanty pay of Rs.26 per mensem.

2. Till the 31st December 1919, Memorialist was drawing the travelling allowance on the maximum pay of his appointment, that is, a daily allowance of Rupee one per day and double II class railway fare, but now owing to Government Order No.476 Financial, dated 24th June 1919, he regrets to submit that he is allowed a travelling allowance of only Rs.0-8-0 per day and double III Class railway fare.

3. The Memorialist most humbly begs to state that as he has to do survey work throughout the whole district, he had to be away from the Headquarters for more than 2/3 part of the year and has to take a servant with him paying him Rs.5 per mensem besides giving him food which when coupled with the dearness of provisions, entails great hardship on the petitioner who has to work at a loss.

4. The Memorialist is also allowed a mileage of 2 annas per mile if he travels beyond 20 miles but Memorialist begs to submit that as he has to engage a cart for travelling, he has actually to pay annas 3 ~~to pay annas 3~~ per mile for the cart so that he has to bear loss also in this direction.

The Memorialist humbly prays that on a kind consideration of the above facts the Government may be graciously pleased to order the payment to him of the travelling allowance and railway fare on the maximum sanctioned pay of his

appointment

appointment as before for which act of kindness, he shall ever remain grateful.

Submitted to the Collector, South Kanara.

2. The Deputy Surveyor is expected to tour during the greater part of the month. He was formerly drawing more allowances, but has now been ordered to refund -- about Rs.34. as the allowances have been cut down in G.O.476 Fin., dated 24-6-19.

3. The petition may be forwarded to the Salaries Committee, Madras.

L.R. Tahsildar.

Copy of letter from the Collector of South Kanara, Dis.No.1233 D/Rev/20, dated 4th May 1920.

I have the honour to submit herewith the memorial of S.G. Rasquinha, Deputy Surveyor of the Land Records -- Tahsildar's office, with the following remarks.-

2. The memorialist is a permanent Deputy Surveyor on Rs.25-1-55 and as such he was getting travelling allowance calculated on the maximum pay of the post i.e. double II class fare for railway journeys and a daily allowance of Re.1/-. In G.O. No.476. Financial, dated 24th June 1919, the Government having directed that the appointments of Land Records Deputy Surveyors, draftsmen and some others should be on a time scale of pay, the Accountant-General in his letter No. T.M.24-2-142, dated 8th July 1919. ordered that the travelling allowance of the holders of these appointments should be calculated with reference to the pay which they actually draw from time to time. The memorialist now draws a pay of Rs.27/- and under the said order of the Accountant-General he is entitled to only double III class railway fare for railway journeys and a daily allowance of annas 12. It is a fact that cart hire has increased to a considerable --

considerable extent and the dawk rates have lately been revised and that Board has already been addressed in my letter No.61 D/Acc., dated 28th February 1920 to move Government to enhance the rate of mileage from annas 2 to annas 4.
